

# The Rotary Club of Anna Maria Island

*We meet Tuesday's at noon at the Beachhouse Restaurant in Bradenton Beach.*

## Rotary Golf Ball Drop Ticket Order Form

YES! I want to reserve \_\_\_\_\_ ticket(s) to the Golf Ball Drop fundraiser. I understand my ticket(s) will represent one golf ball ticket per \$100.00 paid and the ticket(s) will be sent to me shortly via USPS or in person. A golf ball numbered with the same number that is on my ticket(s) along with no more than 1000 numbered golf balls will be dropped from a helicopter at Tara Golf & Country Club in Bradenton, Florida on May 18, 2012 at approximately 12:30 pm and I do not have to be present to win or make any additional purchases. If my golf ball is the closest to the pin set on the club's driving range, I will win this golfer's dream trip for four to St. Andrews in Scotland, the birthplace of golf!

I understand this incredible trip includes four (4) rounds of golf at St. Andrews original course, St. Andrews new course, Carnoustie, and Castle courses, all greens fees, accommodations at the Fairmont Hotel in St. Andrews, car rental, plus air fare allowance per person of \$1,500 (\$6,000 total). The proposed schedule is for the winning foursome to arrive in St. Andrews on July 14, 2012 and stay through July 21, 2012. The travel dates are changeable for no extra charge based on availability.

I understand the organization through which I am making this purchase who I have named below, will receive \$2000.00 if my numbered golf ball is the winner.

I understand that this form does not cover all the rules and conditions. Complete information and Official Rules on this fundraiser are available at [www.annamariarotary.org](http://www.annamariarotary.org) or you can call 941-448-5500 or 216-496-7298.

I understand that I can submit a check with this order form and if I wish to pay by major credit card I will need to go to the same website above and follow the ordering instructions under the Rotary Golf Ball Drop link and that PayPal is the service that will ensure security.
